Ágæti borgarstjóri, bæjarstjóri, sveitastjóri.

Ég leyfi mér að senda ykkur smá erindi er varðar list á hringtorg.

Eins og þið eflaust hafið tekið eftir á ferðalögum ykkar erlendis, þá hafa hringtorg í borgum og bæjum verulegt listrænt gildi og um leið móta sterk kennileiti fyrir íbúa.

Þar sem ég hef kynnst þessu á þeim tíma sem ég var í námi úti og búið þar um stundarsakir, hef ég nú ákveðið fyrir nokkru að helga mér þessu listformi, og bjóða fram hugmyndir mínar á hringtorg, þar sem áhugi er fyrir hendi. Hugmyndin er að hvert torg fái sína sérstöðu. Jafnaframt er hugmyndin, til að halda kostnaði innan skynsamra marka, að kostnaður vegna verks á torg sé ákveðið prósentuhlutfall af áætluðum kostnaði við framkvæmd torgsins.

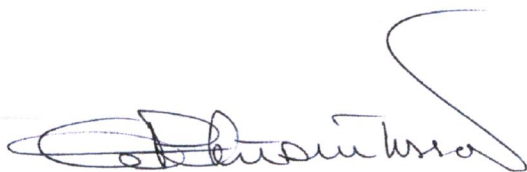

Ég mun kappkosta að eiga gott samstarf, og leggja fram hugmyndir sem og model sem aðilar geta skoðað, sem og að leggja fram ýtarlega kostnaðaráætlun.

Með þessu framtaki langar mig að bæta ásýnd og vekja upp listræn áhrif í umhverfi okkar.

Ég er einnig opin fyrir því að eiga í samstarfi við aðra listamenn og eða leita til þeirra með hugmyndir.

Ég vona að erindi mitt fái kynningur innan ykkar vébanda, og að einhver áhugi verði.

Ps. Hjálagt læt ég nokkrar myndir fylgja með af hringtorgum víðsvegar um heiminn.

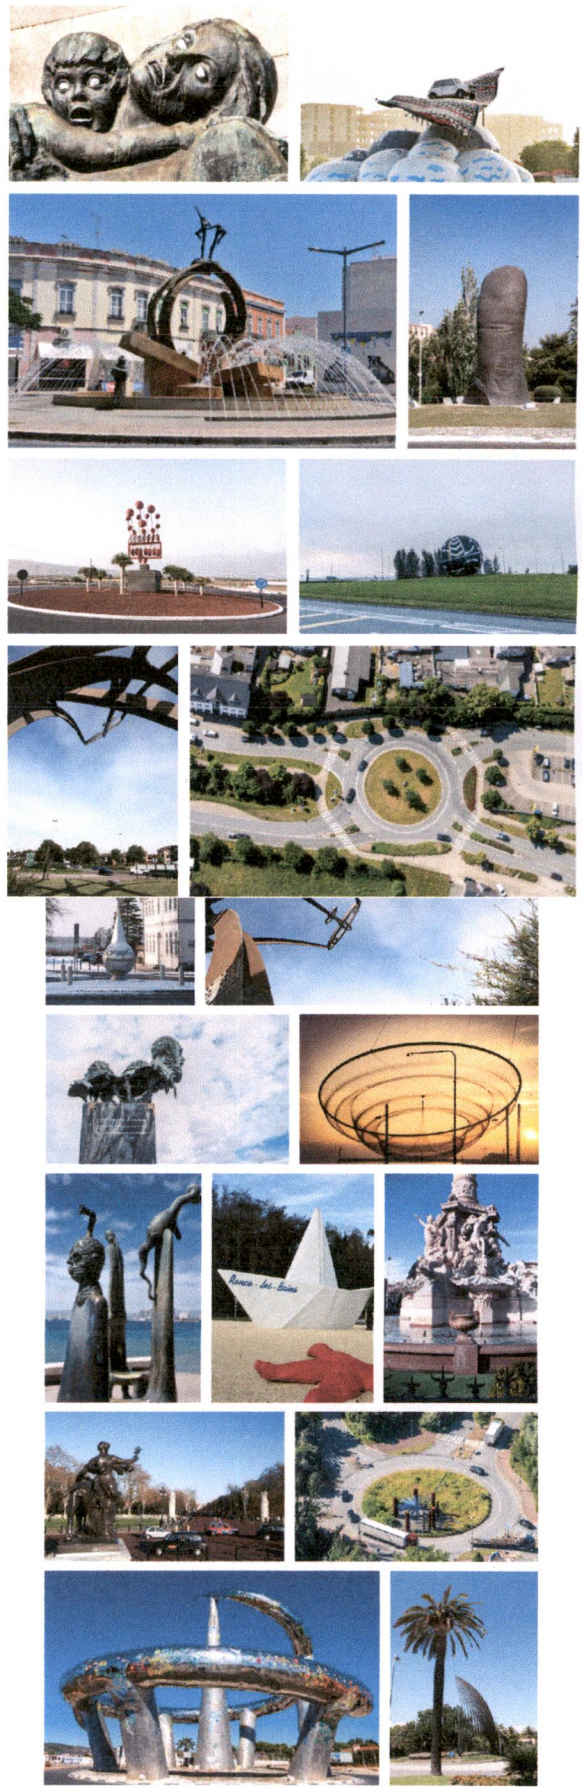

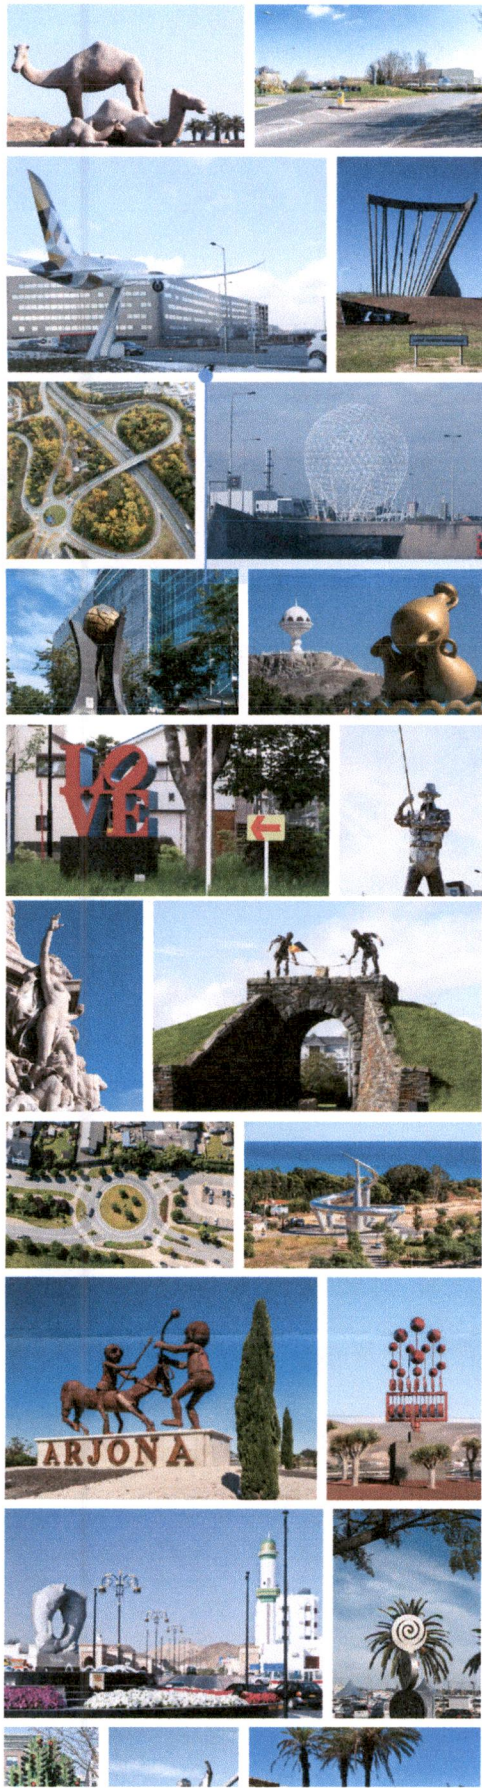

Virðingafyllst,

Guðmundur R Lúðvíksson, myndlistamaður
